

# Salamoji N2K Walk

## Instructions

1. Roll the dice
2. You can move forward according to what is rolled on the dice ONLY if you answer a question from the Q&A cards correctly. Please make sure the team member that is not currently playing picks up the Q&A card and reads it out to the team member that is playing.
3. If you land on a road with a car, you must move forward and follow the road to a new position ahead.
4. If you land on a river, you must follow it down where your new position will be placed near a mowkib. At the bottom of the river you must pick up a Service card and keep the Service card points till the end of the game.

## Aim

The aim of the game is to collect the most amount of service points.

## Winner

The winner is whoever has the most amount of Service points when they reach Karbala. NOT who reaches Karbala first.

## End of the game

The game ends when the last person reaches Karbala.

Recommended number of players is 4.
